Draft amendment to B.S.O. No. 172 (8) relating to period allowed for preferring appeals.

The time allowed for preferring an appeal against an order of appointment dismissal etc., passed under the Village Officers Acts (Act II of 1894 and III of 1895) is one month against an order passed by the Revenue Divisional Officer to the District Collector. The time allowed for an appeal against Revenue Divisional Officer's orders of dismissal, removal or suspension in respect of "non-hereditary" and "non statutory" village officers is one month according to the second sentence of paragraph 8 of B.S.O. No. 172. This sentence does not mention an appeal against orders of appointment. Such appeals are therefore now governed by the last sentence of paragraph 8 of the Standing Order. According to which the time allowed for appeal is three months. To remove this anomaly it is proposed to make it clear that the time allowed for appeal to the Collector against the Revenue Divisional Officer's order is one month in all cases. With the approval of the Provincial Government, the Board of Revenue accordingly resolves to notify for the information of the public that the undermentioned amendment to paragraph 8 of B.S.O. No. 172 will be taken up for consideration one month after publication of this notification and that all suggestions or objections relating to it should be submitted so as to reach the Board of Revenue within that period.
